Parent/Carers**

September 2023

School recognises that it has a statutory duty to safeguard and promote the welfare of its pupils and that this duty extends to having arrangements in place for dealing with children not collected from school at the end of the day or school activity.

This protocol explains those arrangements, which have been agreed with Social Care, the Police and Education Transport.

This protocol will be brought to the attention of parents/carers, in writing, when the child first starts at the school. (See Safeguarding and Child Protection Policy and Procedures)

### **The safety of the child is paramount**

Parents should provide:

- Full contact details, i.e. names, addresses, phone numbers for home/work and mobile numbers
- Details of **at least two** other relatives/carers who can be contacted in emergencies
- Updated details when necessary

Parents who wish their child(ren) to make their own way home independently should complete a **written permission slip** at the beginning of the school year, signed by the parent/carer.

### **The school agrees to:**

- Care for a pupil not collected until such time as s/he is collected by a parent/carer, or until appropriate alternative arrangements are made with the help of Social Care and/or the Police in order to ensure the child's safety.
- Take appropriate action in order to protect the child's welfare in situations where the child is not collected from school on repeated occasions, without good reason.

### **Procedures:**

- In the event that a child is not collected by a parent/carer, the Headteacher/Designated Safeguarding Lead will be made aware.
- Every effort will be made to contact the parent/carer. The emergency contact(s) supplied by the parent will be telephoned.

### **Procedures continued:**

- In the case of an isolated incident, should successful contact not be made, then the child will be supervised at school for a reasonable period of time
- In the case of repeated or frequent incidents, then the school will contact Social Care according to the Protocol, in order to take advice as to necessary actions.

### **Regularly transported children**

- In the event of a parent/carer not being about to receive their children, the driver will wait for 5 minutes, then inform the Council's Transport Team. The child will remain in the vehicle until other children have been taken home, the Driver should wait a further 5 minutes and then call the Council's Transport Team again who will try to make contact with the parent/carer and school if necessary and provide the Driver with further instructions.
