Anything Star Wars, James Bond, Lord of The Rings, that kind of thing – they're the only films I choose to watch more than once. Also I could probably quote from any Home Alone film (blame that on having three children)

I CAN'T ACTUALLY ANSWER THIS, IT'S TOO STRESSFUL!!! Too many favourites, depending on mood, time and place, who I'm with, what I'm doing; please don't make me choose!
Where s the farthest place you've travelled?
Distance-wise? New Zealand. But I lived and worked in Inner Mongolia on the edge of the Gobi desert for over 2 years and that took longer to get to.
If any cartoon character could attend this school, who would it be?
Only one?!! Donald Duck – because I am fluent in Donald Duck language Inspector Gadget – he'd stop the building from falling apart Penelope Pit-Stop – she'd fit in well with Drop and Roll 😊
