

The Wonders of Flight **With Scott Marley**

7.00-8.00pm
Wednesday
1st July
Stahl Theatre
Oundle

Tickets: £2.50 per person

A Boeing 747 weighs over 400 tonnes. It has no wings that flap, no balloons, no magic. And yet it flies. How?

The answer isn't one thing — it's a team of invisible Forces, each doing a specific job.

In this show, we uncover those forces one at a time.

Through demonstrations the audience can

See, Feel, and Try for themselves.

By the final demo, you will have seen the assembly of all Four Forces of Flight and understand how they work together to get a plane off the ground.

Suitable for ages 7-70!

Ticket price subsidised by the
OPEN Learning Partnership
