

Elton Village Open Day

Sunday 23rd June 2024 12.00 - 5.00 p.m.

A series of events is being planned for a Village Open Day on **Sunday 23rd June** and we hope as many villagers as possible will get involved. On the day there will be a garden trail, open studios, scarecrows, classic cars, tours of All Saints Church tower, refreshments at Highgate Hall and the Methodist Chapel, and garage sales. We would also like to invite the school to be involved in the day - perhaps by joining in the scarecrow trail and/or by organising a fundraising event of your own. The day is being coordinated by Your Elton Society, who will sell trail maps as 'entry' to gardens and open studios, with individual fundraisers being organised by other village organisations.

Best wishes

Sally Malloy
