

Dear all,

Happy New Year!

We understand that January can be a challenging time for many, with the holidays behind us and the winter months in full swing. It's a period that can feel difficult for some, but January is also a natural time for new beginnings—a season to reflect, reset, and embrace fresh starts. For many, this is also an opportunity to think about their faith and reconnect with their spiritual foundation. Practices like prayer, meditation, and worship can bring clarity and focus, helping to navigate the challenges and opportunities of the year ahead.

If this is something that is on your mind as we enter the New Year please do not hesitate to get in touch and I will help connect you up to whatever you need to help you on your faith journey.

As we step into the New Year, we'd like to update you on some changes regarding our Link newsletter. Next month, we will cease distributing the usual Link newsletter. Instead, our updates, community news and service times will be incorporated within the monthly editions of the Scan magazine. For those of you who fall outside the Scan distribution area then there will be a local arrangement put in place. So please do look out for our pages in Scan and local information.

As always, should you need anything, please do get in touch. My door is always open for a cuppa and a chat. To be added to our weekly e-newsletter for all the up-to-date news on our events please email stiltongroupofchurches@gmail.com.

Every Blessing

Rev Diane
