

# Elton Parish Nature Recovery Project

You may be aware that Elton has a new nature recovery group that hopes to identify opportunities to restore nature within and around the village. To get us started we would like your help in compiling an Elton bird database.

If you are already registered to take part in the RSPB Big Garden Birdwatch between Friday 24<sup>th</sup> January and Sunday 26<sup>th</sup> January 2025, we would like to know what you record.

If you would like to register for The Big Garden Birdwatch, which only takes up an hour of your time over any of the three days, use the link below:

If you are willing to help us out, please email your recorded bird counts to: [Howardjames2064@icloud.com](mailto:Howardjames2064@icloud.com)
